

BUSINESS PARTNERSHIP PROGRAM

Join in and Explore Buffalo with us! Through the Business Partnership Program, we work with your company to further your goals and increase visibility.

We prominently recognize Partners on our popularly visited website, in the weekly e-newsletter, and in social media posts, promoting your business as a supporter of one of Western New York's most dynamic cultural and educational organizations.

Your support enables Explore Buffalo to continue to grow and promote Buffalo by providing a variety of exciting and high-quality tours, events, and educational opportunities to diverse groups. Partners receive exclusive membership privileges afforded to Explorer Pass holders through our newly launched, Explore @ Home. This new program will continue Explore Buffalo's mission of promoting Buffalo architecture, history, and neighborhoods during this time of necessary social distancing while we are unable to conduct our regular tour program. When you join now, you'll be among the first to enjoy live online programs about Buffalo architecture and history, delivered to you via Zoom video technology.

PARTNERSHIP LEVELS

All levels are recognized in Explore Buffalo's Annual Report, website, weekly e-newsletter, and in social media posts. In addition, Partners receive an annual Explorer Pass membership at the Professional Level.

Titanium Level: \$5,000

20 - complimentary Professional Level Explorer Passes

Platinum Level: \$2,500
