

Tenth Anniversary Season Sponsors

When you sponsor Explore Buffalo, you build pride in our city's architectural heritage and history, investing in our future.

Who we are:

We are the storytellers who bring Buffalo's history, architecture, and neighborhoods to life. Since our founding in 2014, Explore Buffalo has grown to provide one of the most expansive tour programs of any city in the country, offering a variety and frequency of tours unavailable to visitors, residents, or K-12 students in most American cities. Today, Explore Buffalo is one of the city's leading cultural institutions, promoting a positive image of Buffalo, celebrating its diverse neighborhoods and history, and educating its residents to appreciate and protect its architectural heritage for future generations.

What you'll gain:

Become a Tenth Anniversary Season Sponsor and connect with other business leaders and our audience, while helping Explore Buffalo grow its community impact. We work with your company to further goals and increase visibility.

Season Sponsor Levels:

All levels are recognized on Explore Buffalo's website, weekly e-newsletter, social media posts and the Annual Report. In addition, Sponsors receive annual Explorer Pass memberships at the Professional Level and invitations to the Annual Spring Awards and Recognition Luncheon.

Presenting: \$10,000
